

EMERGENCY CHECKLIST – CARING FOR MY ANIMAL/S

1. Do I have enough food, litter and medication for my pet for at least 2 weeks?	
2. Do I have a list of all medications and instructions for administration?	
Do I need to organise an extra prescription?	
3. Is my pet up to date with vaccinations?	
4. Is my pet microchipped?	
Are the contact details up-to-date?	
5. Is my pet free of fleas?	
6. Has my pet been wormed within the last 3 months?	
7. Do I have at hand a written document including:	
<ul style="list-style-type: none"> • My name and mobile number • A photo of my pet and details including their name, age, feeding schedule, temperament, likes and dislikes, suitability to children/other animals, whether they live indoors/outdoors, etc. • Details of my animal's current vet alongside copies of medical records, proof of vaccination records and/or microchip details 	
8. Do I have my pet's leash, collar, ID tags and carriers (or crates) available, in case they need to be transported?	
9. Do I have a quick contact list I can give to any temporary pet carer in my wallet and on my fridge and/or with other pet documentation?
